5. KESIMPULAN

1. Pasar wedding photography Makassar sangat aktif dengan 40+ vendor terdeteksi dari berbagai platform. Persaingan ketat di segmen harga menengah (Rp1-5jt per paket).
2. Tren 2026 didominasi intimate wedding, wedding content creator, cinematic style, dan flash photography. Vendor harus adaptasi dengan gaya dokumenter yang lebih natural.

3. Event pernikahan besar (Mercure Expo, Aston Gathering, Makassar Wedding Showcase, MaxOne Fair) jadi ajang networking dan promosi utama. Frekuensi event meningkat di 2026.
4. Adat Bugis-Makassar (Mappacci, Mappettuada) tetap jadi USP kuat. Vendor yang kuasai adat punya nilai tambah signifikan.
5. Harga fotografer Makassar masih terjangkau: Rp500rb/jam (freelance) hingga Rp5-8jt (paket premium). Segmen budget-friendly (Rp800rb-Rp1,5jt) paling ramai.
6. Munculnya Wedding Content Creator sebagai profesi terpisah dari fotografer/videografer tradisional. Ancaman sekaligus peluang.
7. Rekomendasi: portfolio adat Bugis-Makassar, tawarkan paket intimate + WCC, hadir di expo, aktif di IG/TikTok #weddingmakassar.
