MARKET INTELLIGENCE

Trend Minggu Ini

1. **Database baseline punya error signifikan** — Herhopes (15K → 29K), Sky (5K → 19K), Samaway (5K → 11K) menunjukkan data Juni 2026 perlu dioverhaul. Mid-range market size mungkin **35-40 vendors**, bukan 25.
2. **Topsgraphy Studio (26K)** — terlewat total di database. Satu grup dengan Samaway. Grup vendor besar dengan ekosistem studio fotografi.
3. **Chesta Photo (9.2K)** — kompetitor mid-range solid yang baru teridentifikasi minggu ini. Punya studio fisik + Bridestory listing.
4. **Wedding Expo season aktif** — 2 event besar simultan minggu ini. Q3 wedding demand tinggi.
5. **Octografia growth agresif** (+4.5% followers/minggu) — perlu dipantau.

Competitor Activity

- **Adhi Potret Studio:** 125K → 142K. Growth dominan.
- **Herhopes:** 29K followers, 3.8K following, 1.2K posts. Engagement tinggi.
- **Topsgraphy Studio:** 26K, 4.3K posts. Studio fisik dominan.
- **Samaway:** 11K, 2.5K posts. Value: DP rendah (max Rp 1jt), pelunasan 3 hari SETELAH acara.
- **Chesta Photo:** 9.2K, 680 posts. Mid-range Tier 1.

- **Octografia:** 5.9K, +4.5% growth. Collab @arcana.studio.

Opportunity untuk Sorehari

1. 🔥 **Hadiri Claro Wedding Expo / MaxOne Wedding Fair** minggu ini untuk networking
2. 📊 **Overhaul database** — koreksi Herhopes, Sky, Samaway, tambah Topsgraphy, Chesta, F2
3. 🤝 **Kontak @halopro_weddingplanner** untuk partnership potensial
4. 📈 **Wedding expo season** = peak competition — Sorehari perlu aktif promosi
5. 💡 **Undangan digital + client dashboard** — still zero competition

⚠️ PITFALLS & LIMITATIONS

1. **IG followers dari search snippets** — meta description bisa tidak update. Herhopes data diverifikasi dari 2+ source (search snippet + Bridestory snippet yg mention "29K").
2. **Harga paket estimasi** — ~90% vendor tidak publikasi harga.
3. **Database corrections** — 4 vendor perlu update. Sumber: IG metadata dari search engine, bukan real-time API.
4. **TikTok scan skipped** — akses terbatas.
5. **Chesta Photo, Topsgraphy, F2 Foto mungkin sudah ada di database lama** — perlu verifikasi dengan data sebelumnya.
6. **NAS (192.168.100.77) unreachable** — penyimpanan di local mount /mnt/DATA1 saja.

Dalton Makassar promo "PaNai" — diskon 10% + cashback. **Diverifikasi dari 5+ news sources.**
Peluang Sorehari networking.

 Afternoon Insights

- 1. **Ai Studio (11K)** — blindspot signifikan. Terdeteksi via cross-vendor search (query phiutografiastudio muncul aistudio di search snippet). Cross-referencing works.
- 2. **Samaway ecosystem >40K combined** — underestimated collective market share.
- 3. **Firecrawl billing exhausted** — semua `web_extract` gagal BILLING_ERROR. DDGS fallback works but limited (no price/Bridestory/MyWed details).
